Please tick to indicate you consent to the following

I have read, or have had read to me in my first language, and I understand the Participant Information Sheet.

I have been given sufficient time to consider whether or not to participate in this Registry.

I have had the opportunity to use a legal representative, whanau/ family support or a friend to help me ask questions and understand the Registry.

I am satisfied with the answers I have been given regarding this Registry and I have a copy of this consent form and information sheet.

I understand that taking part in this Registry is voluntary (my choice) and that I may withdraw from the Registry at any time without this affecting my medical care.

I consent to the research staff collecting and storing and sharing my information, in the manner described above, including information about my health from my medical records held by my GP and the hospital system.

Where relevant I specifically give permission to collection regarding genetic tests that I have had

I agree to an approved auditor appointed by the New Zealand Health and Disability Ethic Committees, or any relevant regulatory authority or their approved representative reviewing my relevant medical records for the sole purpose of checking the accuracy of the information recorded for this Registry.

I understand that my participation in this Registry is confidential and that no material, which could identify me personally, will be used in any reports on this Registry.

I know who to contact if I have any questions about the Registry in general.

I understand my responsibilities as a participant.

Optional questions:

If I decide to withdraw from the Registry, I agree that the information collected about me up to the point when I withdraw may continue to be processed. Yes No

I would like my GP to be informed of my participation in this Registry Yes No

Declaration by participant:

I hereby consent to take part in this Registry.

Participant's name:

Signature:

Date:

Declaration by member of research team:

I have given a verbal explanation of the research project to the participant, and have answered the participant's questions about it.

I believe that the participant understands the Registry and has given informed consent to participate.
